

NEUROLOGY

Your Role:

- We are seeking a full-time BE/BC Neurologist for hospital employed hybrid position;
- Join a team of two neurologists, five neurosurgeons, and two physiatrists;
- Level II stroke center; Level II trauma center; service area of 450,000 with residents from MO, KS, OK, and AR;
- Integrated health system with more than 350 physicians in 80+ specialties and growing;
- On-site emergency flight service;
- EMG's read in clinic;
- Competitive one-year guarantee followed by wRVU production model with no cap;
- Start bonus, residency stipend, relocation assistance, paid malpractice and tail coverage available;
- Epic EMR coming October 2026

About Freeman Health System:

- Locally owned and nationally recognized not-for-profit health system;
- Facilities include Freeman Hospital West, Freeman Hospital East, Freeman Neosho Hospital, Freeman Fort Scott (KS) Hospital, and Ozark Center for Behavioral Health;
- Celebrating 100 years of dedication to improving the health of the communities we serve through contemporary, innovative, quality health care solutions!

Experiencing Joplin:

- Competitive salaries in a low cost of living community allows compensation to take you further. Production based salaries with no wRVU cap offers physicians comfortable compensation providing more discretionary funds for savings and entertainment.
- Growing community nestled in the Ozark region, with no morning commute and opportunities for a quiet, comfortable home. Served by two interstates with access to major cities (St. Louis, Kansas City, Tulsa and more).
- Experienced Professional Support Team works to manage clinic operations, allowing providers to focus on quality patient care.
- Immerse yourself in a city with versatile activity options, green space for exploration, tasty restaurant scene, with local artisans and beautiful performing arts center in historic downtown.
