In a FLASH, money raised will Provide:

- Hero packs for pediatric in-patients and NICU families
- Toy inventory, entertainment, hospitality items, technology
- Community-focused education
- Pediatric waiting room remodel

What is in a Hero Pack?

It includes a variety of items to make our tiniest patients and their families as comfortable as can be during their stay at Freeman. Every Hero Pack includes a superhero cape to bring them strength and joy.

We need your help!

Along with providing much needed funds for the items above Heroes may choose to serve as volunteers at Children's Miracle Network Hospitals national and local partner campaign events, advocate for philanthropic support, inspire and connect community members to join our heroic efforts of helping local sick and injured children. Join today to become a Higgins Hero!
