

## NEUROHOSPITALIST

Come and join a thriving health system situated in beautiful Southwest Missouri!

### Your Role:

- We are seeking a Full-Time BE/BC Neurohospitalist to join our inpatient service, working alongside our esteemed Neurosurgery and Hospitalist teams, as well as partnering with our two outpatient Neurologists at Freeman West's 340-bed hospital;
- Level II trauma and stroke center;
- Schedule: Monday – Friday, 8am-5pm;
- Tele neurology will cover nights, weekends, and holidays;
- Cadwell EEG machines;
- Teaching opportunities with medical students and residents;
- Competitive salary and comprehensive benefits package in a shift-based model;
- Residency/Fellowship stipend, \$50,000 start bonus and relocation coverage available; and,
- Epic EMR coming soon!

### About Freeman Health System:

- Locally owned and nationally recognized not-for-profit health system;
- Facilities include Freeman Hospital West, Freeman Hospital East, Freeman Neosho Hospital, Freeman Fort Scott (KS) Hospital, and Ozark Center for Behavioral Health;
- Celebrating 100 years of dedication to improving the health of the communities we serve through contemporary, innovative, quality health care solutions!

### Experiencing Joplin:

- Competitive salaries in a low cost of living community allows compensation to take you further. Comfortable compensation providing more discretionary funds for savings and entertainment.
- Growing community nestled in the Ozark region, with no morning commute and opportunities for quiet, comfortable home. Serviced by two interstates with access to major cities (St. Louis, Kansas City, Tulsa and more).
- Experienced Professional Support Team works to manage clinic operations allowing providers to focus on quality patient care.
- Immerse yourself in a city with versatile activity options, green space for exploration, tasty restaurant scene, with local artisans and beautiful performing arts center in historic downtown.
