 Facial Plastic Surgery/ENT: Dr. Shagets
 Allergy: Dr. Joseph
 Otology: Dr. Van Ess

Chief Year always take place during the latter part of PGY 4 and begging of PGY 5 year (Jan-Dec)

Electives: A resident may request an elective during PGY 4 or 5 year to replace one of their already scheduled rotations and must be approved by the program director.

Vacation Policy: Residents are allowed 20 working days of vacation per academic/contract year that cannot roll over to the next year.

Residents must not be away from a core or elective rotations for more than 5 working days to receive credit.

Residents must request vacation at least 60 days in advance by filling out a vacation request form, get approval from the program director and submit to the medical education office.
