Freeman Health System

Joplin, Missouri

NEUROHOSPITALIST

Your Role:

- We are seeking a **BE/BC Neurohospitalist** to join our inpatient service, working alongside our esteemed Neurosurgery and Hospitalist teams, as well as partnering with our two outpatient Neurologists at Freeman West's 340-bed hospital;
- **Level II trauma and stroke center**;
- Schedule: 7 on / 7 off
- Cadwell EEG machines;
- Teaching opportunities with medical students and residents;
- **Competitive salary** and comprehensive benefits package in a shift-based model;
- Residency/Fellowship stipend, start bonus and relocation coverage available; and,
- Epic EMR

About Freeman Health System:

- **Locally owned** and nationally recognized **not-for-profit health** system;
- Serving communities in **Missouri, Arkansas, Oklahoma, and Kansas** through a network of hospitals, physician clinics, outpatient locations, and specialty services;
- The system includes Freeman Hospital West, Freeman Hospital East, and Freeman Neosho Hospital in Missouri; Freeman Fort Scott Hospital, Inc. in Kansas; and the Freeman Health System facilities in Bentonville, Springdale, Johnson, and Siloam Springs, Arkansas.
- Freeman Health System also operates Ozark Center - the region's largest provider of behavioral health services, and offers comprehensive cancer, cardiology, neurology and neurosurgery, orthopedics, and women's and children's services.

Experiencing Joplin:

- **Competitive salaries** in a **low cost of living** community allows compensation to take you further, providing more discretionary funds for savings and entertainment;
- Growing community nestled in the Ozark region, with **no morning commute** and opportunities for a quiet, comfortable home.
- Serviced by two interstates with **access to major cities** (St. Louis, Kansas City, Tulsa, NWA, and more).
